

**SANTA CLARA SWIM CLUB PRIVATE LESSON POLICY**  
(Effective March 30, 2009)

Beginning March 30, 2009 all private swim lessons taught at the International Swim Center or Harker School by SCSC staff members will be set at the following prices:

\$30.00 per person per half hour session for SCSC members

\$35.00 per person per half hour session for non-members

Lessons can only be given by certified SCSC staff members who are members in good standing with USA Swimming. Those wishing to take private lessons are still free to set up the time and date with the staff member they choose to and payment for lessons will remain as is. However, the cost is fixed at the above listed rates. If you are asked to pay a price above the amounts listed, please report this to the team office or to Head Coach John Bitter.

All SCSC members are free to and encouraged to seek lessons from any staff member that they choose. Non-member of SCSC who wish to take private lessons with any SCSC staff member must complete a Waiver of Liability form prior to the lesson. This form will then be on file with the SCSC team office.
